2025/8/20

(*1) Vignetting may occur when using the dive case alone.

(*2) Lens hoods included with UFL-GR140 ZD shipped before August 3, 2025 may be visible in footage.

Please use the updated "Lens Hood II (for UFL-GR140)" which is available for separate purchase.

(*3) Ultra-wide 16:9 stretches 4:3 footage and may look unnatural underwater. Wide mode is recommended.
