INON PT-005 Adapter Ring

Thank you for purchasing INON product.

INON PT-005 Adapter Ring is an adapter for Olympus protector 「PT-005/007/010」 to attach INON attachment lens and a port arm to use an external strobe.

Features

- Compatible with 「UWL-100 Achromat Wide Conversion Lens Type.1」 and 「UCL-330 Close-up Lens」.
- Compatible with digital camera dedicated strobe arm 「Port Arm D」 to install compatible INON strobe.

- Package contents:**
- PT-005 Adapter Ring
 - Adapter Ring Tool
 - This user manual

- How to install :**
- It is necessary to replace original 「lens ring」 (black metal threaded ring to mount attachment lens) with this product.
 - **Please read through 「Handling precautions」 of this manual, protector' s manual and warranty certificate to understand warranty condition of each product before proceeding to installation of this product.**

- First remove 「lens ring」
 - ◇ Slot the 「Adapter Ring Tool」 in grooves of the 「Lens Ring」 as in image below.
 - ◇ Unscrew the 「Lens Ring」 counterclockwise by the 「Adapter Ring Tool」 to remove. Some housing has a rubber ring under the 「Lens Ring」. Make sure to remember location of a rubber ring and not to loose the part since it is necessary when attaching 「PT-005 Adapter Ring」.
 - ◇ If the 「Lens Ring」 sticks on the protector, do not force to remove it to avoid damage on the protector.

- Attach the 「PT-005 Adapter Ring」
 - ◇ If the rubber ring is equipped, make sure that it seats in proper position.
 - ◇ Attach 「PT-005 Adapter Ring」 on the lens port of the protector and tighten it clockwise with 「Adapter Ring Tool」. Do not tighten too much to avoid damage on the protector.

- **Make sure to exercise leak test without camera to check waterproof property before using.**

**Before installing
this product** :

- Please note that housing manufacture has no concern with the installation of this product on the housing. Do not inquire housing manufacture about the installation. Also please note that you have to take full responsibility for the installation and modification of the housing.
- Warranty of housing may be void by installing this product even though warranty has not been expired. Refer to housing user manual/warranty statement for detail.
- INON Inc. can not take any responsibility for any trouble/damage (damage to housing/housing accessories/camera) resulting from the installation/modification.
- Should you have trouble like flooding caused by the installation/modification, INON Inc. can not take any responsibility for incidental damage (relevant expense to take a shot etc.)
- Please perform the installation/modification only if you can accept above conditions. Otherwise do not make the installation/modification.
