## INON M52 Thread Ring for UWL-95S

Thank you for purchasing INON product.

The INON *M52 Thread Ring for UWL-95S* is an after service part set to replace with worn original screw ring. Also for *UWL-95S M67/UWL-95S XD* to convert the lens to *UWL-95S M52*.

- Package contents:**
- M52 Thread Ring for UWL-95S ① x 1
  - M2 x 5 Cap Screw (black nickel) ② x 6
  - Hex wrench (WAF: 1.5mm) ③ x 1
  - This user manual

- Compatible product:**
- INON UWL-95S M52 Wide Conversion Lens
  - INON UWL-95S M67 Wide Conversion Lens
  - INON UWL-95S XD Wide Conversion Lens

**How to replace :**

- **a) Remove original lens mount**

Remove six fixing screws which hold original lens mount on the lens barrel. When you conduct type conversion, please keep removed fixing screws/original lens mount as they are required when you need to change mount type again in the future.

**UWL-95S M52/UWL-95S M67**

Remove all M2x5 cap screws using the supplied hex wrench (WAF: 1.5 mm) and take out the threaded ring.

**UWL-95S M52**

**UWL-95S M67**

**UWL-95S XD**

Using a precision Philipps screwdriver #0 (not included), remove all M2x5 precision screws and take out the bayonet mount.

**UWL-95S XD**

**If you have any difficulty to unscrew fixing screw(s) due to salt-build-up etc, do not proceed any further and consult your purchasing dealer for advice**

Should you damage fixing screw(s), the original lens mount may not be separated from the lens. Please consult your purchasing dealer for advice

- **b) Put grease in the screw holes**

Apply grease (**supplied with an underwater case**) in six screw holes to avoid anchoring of the fixing screws.

c) **Attach “M52 Thread Ring”**

Put the “M52 Thread Ring” on the lens barrel so that screw holes both on the “M52 Thread Ring” and lens barrel are matched.

Then fasten them with supplied M2x5 fixing screws by using supplied hex wrench by making star pattern to tighten them evenly. **DO NOT** overtighten or tighten unevenly not to damage the lens itself.

- Handling precautions:**
- Please follow above installation method to attach this product and note that you have to take full responsibility for the installation. If you are not confident for proper installation, please consult your purchasing dealer.
  - INON Inc. cannot take any responsibility for any trouble/damage (damage to lens, “M52 Thread Ring”, housing/housing accessories/camera) resulting from the installation.
  - Should you have trouble like flooding caused by the installation, INON Inc. cannot take any responsibility for incidental damage (relevant expense to take a shot etc.) as well.
  - **Please perform the installation only if you can accept above conditions.**
