## INON Shoe Base BALL

Thank you for purchasing INON product.

The INON Shoe Base BALL is an optional part to add a ball-joint on the accessory shoe etc. of a camera housing to attach strobe/light/action camera combined with INON Arm II type ball-joint adapter via 『Clamp III』 .

- Package contents:**
- Shoe Base BALL Body ×1
  - This user manual ×1

### Compatible

**Product:**  
(as of October, 2019)

#### 【Shoe Adapter】

- Accessory Shoe (\*1) of water-proof camera housings, “Mount Base” and “Video Base” etc.
- INON 『Shoe Base Spacer』 『Shoe Base Adapter D4』 『Shoe Base Adapter X-2』 + compatible product

#### 【Ball Adapter】

- Connectable to an adapter equipped with INON Arm II type ball-joint via 『Clamp III』

(\*1) Refer to the 『Shoe Base BALL Compatibility Chart』 on INON official website.

### Installation:

#### Installing on an accessory shoe

- (a) Loosen the Fixing Dial counterclockwise to push up the Hook Plate as in below left image.
- (b) Attach the Shoe Base BALL on the cold shoe all the way to the back end.
- (c) Hitch the nail of the Hook Plate on the back edge of the cold shoe then tighten the Fixing Dial (\*2)

(\*2) Depending on design of an accessory shoe, the Hook Plate nail cannot reach to the back edge. If this is the case with your housing, install this product with locating the nail facing front.

#### Confirming proper installation

After installation, make sure to confirm that the Fixing Dial is properly tightened and the Shoe Base BALL is installed properly as in below left image. Incomplete tightening of the Fixing Dial or improper installation could lead to accidental removal/damage/loss of this product and/or combined system.

**Proper installation**

Shoe Base BALL has *not* reached to the back end of the cold shoe

The nail of the Hook Plate is pinched between the Fixing Screw and cold shoe

**Improper installation**

- Maintenance:**
- After each use, rinse with fresh water to dissolve any salt build-up and clean the product. Place in shaded and well ventilated area to completely dry. Never apply flame or direct heat or deformation/damage may result.
  - **DO NOT** clean with organic solvent like alcohol, benzene or thinner and oil and fat containing /chemical material like rust inhibitor, lubricant, polish or chemical agents (especially alkaline cleaning agents). This product is made from polycarbonate etc., which will dissolve or get brittle if put in contact with such materials.

- Storage method:**
- Store the product in shaded, well ventilated and dry area. Avoid storing near chemicals or in the area with cold/high temperature, high humidity or large temperature and humidity fluctuations to prevent deformation, mold, rust or corrosion.
  - Keep this product out of reach of children. They may swallow accessories or small parts of this product. See a doctor immediately if a child swallow accessories or small parts.

- Handling Precautions:**
- This product is designed to make simple set-up to attach strobe/light/compact digital camera /action camera etc. on a water-proof housing. So **DO NOT** attach too heavy product or too many products to combine to avoid excessive load on this product and combined water-proof housing or abrupt movement of the combined product should happen leading to personal injury, damage or malfunction of this product/combined products.
  - Make sure to install the product properly according to this user manual. If the Fixing Dial has not been properly tightened or the Shoe Base BALL is not properly installed, this product and combined product(s) may be fell off/damaged/missing.
  - INON confirms product compatibility only with listed products. **Never** use this product for non-compatible product to avoid combined product/housing/protector being fell off/damaged/ missing.
  - When transporting combined system using this product, be sure to hold "compatible housing etc." instead holding combined product or this product itself and **DO NOT** apply excessive shock, vibration or excessive load on the combined system to avoid combined product/housing /protector being fell off/damaged/missing.
